

The Australian Society of Periodontology Medallion Prize

The rules for ASP Prize:

- ASP Prize is awarded for Best Overall Performance by undergraduate dental student in Periodontology
- Recommending authority: the Head, School of Dentistry
- Eligibility: Undergraduate dental students in the final year of assessment for Periodontology
- Basis for award: Highest aggregate marks in first attempt in assessments for Periodontology
- Nature of prize: Medallion suitably inscribed

Procedures

At the culmination of each academic year each State branch shall:

- Contact all schools in their state and seek recommendation from the Head, School of Dentistry.
- Arrange presentation of award and advise Federal body to allow recording of recipients.
- Present inscribed Medallion and a 12 month membership to the society with free attendance to branch evening meetings.
